## PROFESSIONAL EXPERIENCE

### Lirvana Labs (Learning Companion App)

October 2023 – Present

Critical Thinking Game Developer

Oakland, CA

- Contributing to the development of an AI-based children's learning app in a collaborative group of 7, actively participating in the prototype phase for rapid experimentation with 50 children
- Employing AI in the creation and testing of interactive learning modules, establishing the foundation for the upcoming implementation of the learning app in schools

### TechKnowHow (Summer Tech Camp)

June 2023 - August 2023

Lead Instructor

Oakland, CA

- Taught 20 elementary-aged students how to innovate using LEGO building and Scratch programming by creating engaging lesson plans that cultivated a supportive learning environment
- Adapted teaching methods and materials to accommodate diverse learning styles and abilities that were age-appropriate and aligned with curriculum objectives
- Leveraged problem-solving skills to address individual challenges and resolve classroom conflicts to ensure a safe and enriching summer camp experience

### Grid Alternatives (Renewable Energy Firm)

June 2022 – August 2022

People and Culture Intern

Oakland, CA

- Conducted a comprehensive analysis of 8 years of quantitative DEI data to streamline and establish clear and transparent company metrics to determine future firm goals for all stakeholders
- Collaborated with a team of 4 executives to strategize and implement innovative DEI initiatives, including writing and developing a progressive maternity policy

### StarGazer Enterprise (Consulting Firm)

August 2020 - October 2020

Project Management Analyst Intern

Oakland, CA

- Utilized QuickBooks for organizing and recording all company's financial transactions to ensure accurate accounts payable, accounts receivables, and payroll to increase efficiency within the organization
- Performed extensive market research on the background and actions of the BART Measure RR Oversight Committee for potential collaboration efforts

### Banteay Srei (Social Advocacy Organization)

September 2018 - July 2020

Junior Consultant

Oakland, CA

- Developed a community action project through acquired donations via fundraising, resulting in 50 feminine hygiene kits for homeless women throughout the Oakland area
- Organized weekly workshops via PowerPoint and improved public speaking skills by presenting discussions on women empowerment topics to 30+ Southeast Asian female youth

## LEADERSHIP & ACTIVITIES

### College Track

August 2016 - Present

Corporate Residency Intern & Participant

Oakland, CA

- Networking with 30+ recruiters, and analysts from Fortune 500 companies, including Google, Goldman Sachs, and Bloomberg
- Acquiring business and technical acumen through professional development training workshops, improving communication and critical thinking skills

### Summer Search

March 2018 - Present

Participant & Volunteer

Oakland, CA

- Collaborating with 20+ peers and community members to execute an environmental project for underrepresented individuals, including building a path for disabled locals and remodeling a community center for an indigenous tribe in Costa Rica
- Improving communication skills by navigating 2 experiential trips in high-stress conditions and engaging in weekly mentorship sessions to enhance intellectual curiosity, and adaptability in the workforce
